

FULL ONE

**ZERO WASTE,
LESS CONSUMPTION**

A TRUE REVOLUTION

Zero waste and lower consumption

FullOne is the new controlled toilet paper dispenser from Papernet, developed to guarantee the highest level of hygiene in washroom areas and optimise consumption. Its features allow it to hold over 200 m of paper, minimising waste and refill times. A compact, hygienic, unique dispenser made entirely from antibacterial plastic. Its exclusive design fits perfectly into any environment, combining aesthetics with functionality.

CONTROLLED DISPENSATION

ZERO WASTE

ABSOLUTE HYGIENE

Right up to the last sheet

LESS MAINTENANCE

Reduces refill times

COMPACT DESIGN

VERTICAL DEVELOPMENT

Less clutter in washroom area

LONG LASTING

Holds over 200 metres of toilet paper

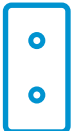

ZERO IMPACT

FULL TECH TOILET PAPER

More sustainable, more metres

NO WASTE

Uses coreless paper

FULL  **ONE**

FULL ONE

Papernet's first **controlled**
toilet paper dispenser.

ABSOLUTE HYGIENE, COST REDUCTION

The controlled dispensing system is the ideal solution for optimising consumption and promoting the highest level of hygiene.

Sheet-to-sheet dispensing allows each individual tear to be picked up, guaranteeing absolute hygiene and minimising paper waste.

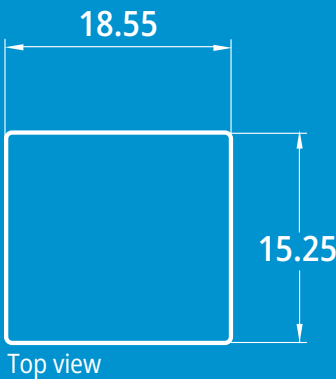

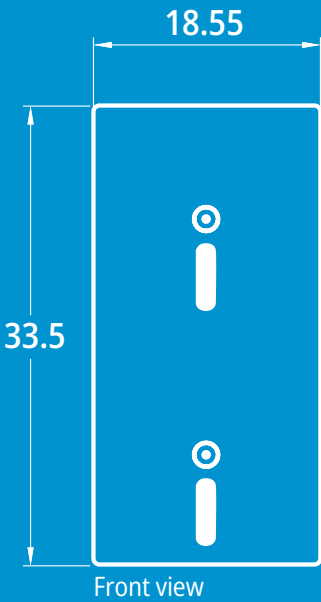

Full Tech Refills
coreless
pure
cellulose

Over 200 m of paper

FUNCTIONAL, UNIQUE, COMPACT

FullOne has been designed, engineered and patented to optimise the space of your environments. Its vertical positioning makes it the ideal dispenser for any washroom area, even those with limited space, thereby ensuring the smallest possible footprint.

CAPTIVE SYSTEM: A WINNING COMBINATION

FullOne and Full Tech: a winning and environmentally sustainable combination. More than 200 m of paper contained in the two Full Tech mini-rolls makes it possible to optimise storage costs and reduce refilling times, without sacrificing quantity and product quality. It is also core-free and produces no waste.
